Healed from a Distance

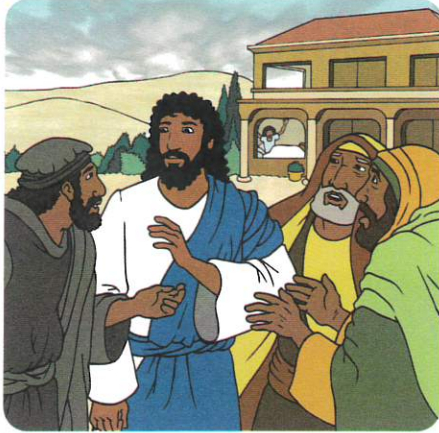

Lesson Scripture: Luke 7:1-10

Key Verse

[Jesus] said [to the crowd], "I tell you, I have not found such great faith [as the centurion] even in Israel." (Luke 7:9)

Healed from a Distance

(Luke 7:1-10)

Jesus went to Capernaum. While there, a centurion (officer of the Roman army) sent some Jewish leaders to Jesus. The officer's servant was sick. The officer believed that Jesus could heal him. The leaders told Jesus that the officer was good to their people. Jesus went with the leaders.

When Jesus was close to the officer's home, the officer's friends gave Jesus a message. It said, "Jesus, don't come to my home. Just say the words and my servant will be healed."

Jesus was amazed at the officer's great faith when He heard this. Jesus healed the servant from a distance.

For the Parents

Dear Parents/Guardians,

In today's lesson, your child heard about a Roman army officer's (centurion's) faith that Jesus could heal his sick servant. The centurion believed Jesus could speak the words, and his servant would be healed. When Jesus heard about the centurion's faith, He healed his servant from a distance. In reviewing today's lesson, talk to your child about our trusting God even though we cannot see God. God's promises are always with us.
